

Limited Warranty

Canadian Bat Houses, Inc. (herein called "We") warrants that the bat house (or "Product") supplied to the buyer (herein called "You" or "Your") is constructed from quality material and is free from defects. Subject to the terms, conditions and limitations stated herein, "we" will repair or replace "your" bat house for a period of 20 years from the Date of Purchase.

Terms and Conditions

1. What is covered?

"We" will repair or replace your bat house if there is damage to the interior of the bat house due to wind and/or water leakage caused by the failure of the rubber membrane system subject to the terms and conditions of this warranty.

2. What is not covered?

We will not cover:

- A. Damage to the rubber membrane or any other part of the bat house caused by mishandling of the product by you or an installer;
- B. Damage to the rubber membrane or any other part of the bat house caused by improper installation by you or the installer;
- C. The cedar shingles and grill are not covered by this warranty;
- D. Damage caused by Acts of Nature.

3. Period of Coverage:

We will cover the entire bat house for a period of 1-Year against manufacturers' defects.

We will cover the rubber membrane for a period of 20-Years subject to the terms, conditions and limitations stated herein.

4. What "We" will do to Correct the Problem

Canadian Bat Houses, Inc. will repair or replace the bat house. You will be responsible for shipping the defective product to the address provided and for shipping the repaired or replaced product back to you.

5. How to Get Service Under Your Warranty
